Dear Community Leaders,

Over 6,200 children are living in shelters, under bridges, in river bottoms, and on back seats!

You can make the difference by donating \$1 dollar to Dollar Days Campaign which begins Sunday, December 3rd and runs through Saturday, December 9th. Our goal is to unite faith based organizations, businesses, community leaders, youth, and citizens throughout the Inland Empire to help conquer homelessness. Collection boxes will be placed at locations TBD throughout the county.

Your \$1 dollar will make all the difference

Your \$1 dollar can give a family a warm meal

Your \$1 dollar can give a child a safe place to sleep

The face of homelessness is changing. 52% of the homeless are women and children.

In Riverside County there are over 19,100 homeless men, women, and children which is equivalent to 1% of our population. Riverside County is not alone in its dramatic increase in the homeless population. Without local shelters and service providers, many children would return to living in shelters, under bridges, in river bottoms, or on the back seat of their parent's car. Your dollar can make the difference.

For more information on how you can help call (951) 492-2075 or visit our website at www.dollardays.org.
